

Objective Of Dashboard

The main objective of this project is to analyze retail sales data to gain actionable insights that will enhance the performance of the Coffee Shop

**Make a great day with
reward of Energy !**

Recommend Analysis

- Analyze **sales patterns by day of the week and hour of the day.**
 - Identify **peak sales times** for better staffing and inventory planning.
 - Evaluate **store-wise sales performance** to spot high and low-performing locations.
 - Determine the **average order value per customer.**
 - Identify **top-selling products** based on both quantity sold and revenue generated.
 - Explore **sales trends by product category and type.**
